

A Better alternative than Check Cashing!

Load Your Customer's Checks onto a Prepaid Debit Card PAYROLL CHECKS - GOVERNMENT CHECKS

***Better Than
Cash!***

***Better Than
A Bank!***

EASY AS ONE, TWO, THREE

1

Take your customer's check (or certified check) along with proper identification to process through the POSA Tech program.

2

Scan your customer's check and ID card through the is-6100 which can be purchased or leased from POSA Tech for as little as \$54 a month. There is a total start up cost of \$1,250 and includes:

- The check & ID scanner, PIN Pad and printer
- All of the POS materials
- An illuminated advertising light box
- Training and ongoing support

3

Load your (now happy) customer's MasterCard with their check minus your businesses commission and service charges. No check deposits nor cash is required by the store!
